* You can finance

Toho Water Authority offers financing for residential properties.

The current fixed interest rate is 2.98%. Interest rates are subject to change for finance applications requested after every October 1.

A deed restriction and lien is placed on the property.

The finance agreement stays with the property. If homeowner doesn't pay off the agreement when selling the house, the new owner assumes the monthly payments.

All finance agreements are assessed a one-time \$69.50 filing fee.

The monthly payments will appear on your monthly utility bill.
