Partin Settlement Road area precautionary boil water advisory

Kissimmee, Florida - Toho Water Authority (Toho) has issued a precautionary boil water advisory for customers located in the Partin Settlement Road area in Kissimmee. Customers at the following addresses are within the advisory area.

- 2342, 2346, 2350, 2354, 2358, 2362, 2366 and 2370 Irlo Bronson Memorial Highway

This is due to a water line break due to contractor work in the area. Service is expected to be restored by 4 p.m. Schedules may change due to weather or unforeseen circumstances. The precautionary boil water advisory will be in effect until lifted by Toho.

As a precautionary measure, customers are advised to boil their water for one minute prior to consumption (drinking, cooking, making ice, brushing teeth or washing dishes). As an alternative bottled water may be used. Water used for laundry or bathing/showering does not need to be boiled.

A two-day minimum of regulatory testing is required to make sure the water meets drinking water standards. An update will be provided by Friday, September 26.
