

FOR IMMEDIATE RELEASE

January 25, 2026

Once service is restored, a precautionary boil water advisory will be in effect for customers from 301 through 364 Colony Court

Kissimmee, Florida (Wednesday, February 25, 2026) - Toho Water Authority (Toho) is announcing that once service is restored, a precautionary boil water advisory will be in effect for customers located from 301 through 364 Colony Court. (see map below).

This is due to a fire hydrant repair in the area. Service is expected to be restored by 6 p.m. Schedules may change due to weather or unforeseen circumstances. The precautionary boil water advisory will be in effect until lifted by Toho.

As a precautionary measure, customers are advised to boil their water for one minute prior to consumption (drinking, cooking, making ice, brushing teeth or washing dishes). As an alternative bottled water may be used. Water used for laundry or bathing/showering does not need to be boiled.

Once service is restored, a two-day minimum of regulatory testing is required to make sure the water meets drinking water standards. An update will be provided by Friday, February 28, 2026.

For more information, contact Toho's customer service at 407-944-5000 or visit our News & Alerts section on tohowater.com.
