

Lifted: Minnesota Avenue and Connecticut Avenue area precautionary boil water advisory

Update 03.22.26 @ 11:50 a.m. - The advisory has been lifted. Customers are no longer advised to boil their water prior to consumption. Water filters do not need to be cleaned or replaced.

###

Update 03.20.26 @ 2 a.m. - Due to unforeseen circumstances, additional water line repairs are needed in the area. Once service is restored the precautionary boil water advisory will include customers in the following areas (see map below):

- Minnesota Avenue between 10th Street and 14th Street
- Minnesota Avenue and Connecticut Avenue south of 14th Street

A timeframe for service restoration is yet to be determined. Updates will be provided when more information becomes available.

###

Planned disruption of service/precautionary boil water advisory for Minnesota Avenue

03.16.26 – A planned disruption of service will occur at 11 p.m. on Thursday, March 19, 2026, for customers located on Minnesota Avenue between 14th Street and 10th Street in St. Cloud.

This is due to a water line repair in the area. Service is expected to be restored by 1 a.m. on Friday, March 20, 2026. Schedules may change due to weather or unforeseen circumstances.

Once service is restored, customers are advised as a precautionary measure to boil their water for one minute prior to consumption (drinking, cooking, making ice, brushing teeth or washing dishes). As an alternative bottled water may be used. Water used for laundry or bathing/showering does not need to be boiled.

The precautionary boil water advisory will be in effect until lifted by Toho.

Once service is restored, a two-day minimum of regulatory testing is required to make sure the water meets drinking water standards. An update will be provided by Sunday, March 22, 2026.

For more information, contact Toho's customer service at 407-944-5000.

###

Toho Water Authority (Toho) is the largest provider of water, wastewater and reclaimed water services in Osceola County. Formed in 2003 by a special act by the Florida Legislature, it currently serves over 160,000 customers in St. Cloud, Kissimmee, Poinciana and unincorporated areas of Osceola Polk and Orange counties.
