Lifted: Disruption of service/precautionary boil water advisory for 2269 Partin Settlement Road

Kissimmee, Florida - The precautionary boil water advisory has been lifted. Customers are no longer advised to boil their water prior to consumption. Water filters do not need to be cleaned or replaced.

###

Disruption of service/precautionary boil water advisory for 2269 Partin Settlement Road

Kissimmee, Florida – A planned disruption of service will occur at 6 p.m. on Friday, March 13, 2026, for customers located at 2269 Partin Settlement Road.

This is due to a water line relocation in the area. Service is expected to be restored by 6 a.m. on Saturday, March 14, 2026. Schedules may change due to weather or unforeseen circumstances.

Once service is restored, customers are advised as a precautionary measure to boil their water for one minute prior to consumption (drinking, cooking, making ice, brushing teeth or washing dishes). As an alternative bottled water may be used. Water used for laundry or bathing/showering does not need to be boiled.

The precautionary boil water advisory will be in effect until lifted by Toho.

Once service is restored, a two-day minimum of regulatory testing is required to make sure the water meets drinking water standards. **An update will be provided by Monday, March 16, 2026.**

For more information, contact Toho's customer service at 407-944-5000 or visit our News & Alerts section on tohowater.com.

###

Toho Water Authority (Toho) is the largest provider of water, wastewater and reclaimed water services in Osceola County. Formed in 2003 by a special act by the Florida Legislature, it currently serves over 160,000 customers in St. Cloud, Kissimmee, Poinciana and unincorporated areas of Osceola Polk and Orange counties.
