Disruption of service/precautionary boil water advisory for customers in Partin Settlement area

Kissimmee, Florida (March 27, 2026) – Toho Water Authority (Toho) is announcing that a planned disruption of service will occur at 10 p.m. on Sunday, March 29, for customers located at 2547, 2575, 2571, 2601 and 2603 Partin Settlement Road.

This is due to a water line relocation in the area. Service is expected to be restored by 6 a.m. Schedules may change due to weather or unforeseen circumstances.

Once service is restored, customers are advised as a precautionary measure to boil their water for one minute prior to consumption (drinking, cooking, making ice, brushing teeth or washing dishes). As an alternative bottled water may be used. Water used for laundry or bathing/showering does not need to be boiled.

The precautionary boil water advisory will be in effect until lifted by Toho.

Once service is restored, a two-day minimum of regulatory testing is required to make sure the water meets drinking water standards. An update will be provided by Wednesday, April 1.

For more information, contact Toho's customer service at 407-944-5000 or visit our News & Alerts section on tohowater.com.

###

Toho Water Authority (Toho) is the largest provider of water, wastewater and reclaimed water services in Osceola County. Formed in 2003 by a special act by the Florida Legislature, it currently

serves over 160,000 customers in St. Cloud, Kissimmee, Poinciana and unincorporated areas of Osceola Polk and Orange counties.
