## **Cardinal Way precautionary boil water advisory will be in effect once service is restored**

Poinciana FL - Toho Water Authority (Toho) is announcing that once service is restored, a precautionary boil water advisory will be in effect for customers located from 802 - 820 Cardinal Way and 443 - 445 Cardinal Court.

This is due to water line repairs in the area. Service is expected to be restored by p.m. Schedules may change due to weather or unforeseen circumstances. The precautionary boil water advisory will be in effect until lifted by Toho.

As a precautionary measure, customers are advised to boil their water for one minute prior to consumption (drinking, cooking, making ice, brushing teeth or washing dishes). As an alternative, bottled water may be used. Water used for laundry or bathing/showering does not need to be boiled.

Upon service restoration, a two-day minimum of regulatory testing is required to make sure the water meets drinking water standards. An update will be provided by Saturday, April 25.

For more information, contact Toho's customer service at 407-944-5000 or visit our News & Alerts section on [tohowater.com](http://tohowater.com).

###

*Toho Water Authority (Toho) is the largest provider of water, wastewater and reclaimed water services in Osceola County. Formed in 2003 by a special act by the Florida Legislature, it currently serves over 170,000 customers in St. Cloud, Kissimmee, Poinciana and unincorporated areas of Osceola Polk and Orange counties.*
