###

**Update: W. Vine Street/192 area water pressure loss/precautionary  
boil water advisory**

**4.29.26 @ 2:00 p.m.** - Service has been restored. A precautionary boil water advisory is now in effect.

###

**Update: W. Vine Street/192 area water pressure loss/precautionary  
boil water advisory**

**4.29.26 @ 11:30 a.m.** - Due to additional repairs needed for a water line break in the area, service had to be interrupted. Service is expected to be restored by 3 p.m. Schedules may change due to weather or unforeseen circumstances. The precautionary boil water advisory remains in effect until lifted by Toho.

Upon restoration, a two-day minimum of regulatory testing is required to make sure the water meets drinking water standards. An update will be provided by Friday, May 1, 2026.

boil water advisory**

**4.29.26 @ 8:00 a.m.** - Service has been restored. A precautionary boil water advisory is now in effect.

###

## **W. Vine Street/192 area water pressure loss/precautionary boil water advisory**

**4.28.26** - Once service is restored, Toho Water Authority (Toho) will issue a precautionary boil water advisory for customers located in the W. Vine Street/192 area in Kissimmee. The following customers are within the advisory area (please see map below):

- 219 W. Vine Street
- 301 W. Vine Street
- 325 W. Vine Street

This is due to a water line break in the area. Service is expected to be restored by 10 p.m. Schedules may change due to weather or unforeseen circumstances.

Once service is restored, customers are advised as a precautionary measure to boil their water for one minute prior to consumption (drinking, cooking, making ice, brushing teeth or washing dishes). As an alternative bottled water may be used. Water used for laundry or bathing/showering does not need to be boiled.

The precautionary boil water advisory will be in effect until lifted by Toho.

Upon restoration, a two-day minimum of regulatory testing is required to make sure the water meets drinking water standards. **An update will be provided by Thursday, April 30, 2026.**

For more information, contact Toho's customer service at 407-944-5000 or visit our News & Alerts section on [tohowater.com](http://tohowater.com).

### **Use the interactive map**

Enter your address in the interactive map to see if you're in the advisory area. Due to circumstances outside of Toho's control, the map may not reflect real-life conditions. [Click here for interactive advisory map.](#)

###

*Toho Water Authority (Toho) is the largest provider of water, wastewater and reclaimed water services in Osceola County. Formed in 2003 by a special act by the Florida Legislature, it currently serves over 160,000 customers in St. Cloud, Kissimmee, Poinciana and unincorporated areas of Osceola Polk and Orange counties.*
