Monterey Road area precautionary boil water advisory

Kissimmee, Florida – Service has been restored. The precautionary boil water advisory is now in effect.

Monterey Road area precautionary boil water advisory

Kissimmee, Florida - Once service is restored, a precautionary boil water advisory will be in effect for customers located in the Monterey Road area in Kissimmee (see map below). Customers located on the streets below are within the advisory area.

- Altera Court
- Anzio Drive
- Alicante Court
- Appian Way
- Monterey Road

This is due to a water line break caused by a contractor working in the area. Service is expected to be restored by 3 p.m. Schedules may change due to weather or unforeseen circumstances. The precautionary boil water advisory will be in effect until lifted by Toho.

Motorists and pedestrians are urged to use caution when approaching this area, as workers and construction equipment will be present. Speed limits may be reduced, sidewalks possibly closed, and foot traffic diverted. Signage will be in place to keep the traveling public informed of the project.

As a precautionary measure, customers are advised to boil their water for one minute prior to consumption (drinking, cooking, making ice, brushing teeth or washing dishes). As an alternative bottled water may be used. Water used for laundry or bathing/showering does not need to be boiled.

Once service is restored, a two-day minimum of regulatory testing is required to make sure the water meets drinking water standards. **An update will be provided by Saturday, May 23.**

For more information, contact Toho's customer service at 407-944-5000 or visit our News & Alerts section on tohowater.com.
