

**FOR IMMEDIATE RELEASE**

May 24, 2026

## **Lifted: N. Main Street and N. Brack Street precautionary boil water advisory**

**Kissimmee, Florida** - The advisory has been lifted. Customers are no longer advised to boil their water prior to consumption. Water filters do not need to be cleaned or replaced.

###

## **Extended: N. Main Street and N. Brack Street precautionary boil water advisory**

**Kissimmee, Florida** - The precautionary boil water advisory has been extended. Customers are advised to continue to boil their water prior to consumption. **The next update will be provided on Sunday, May 24.**

###

## **N. Main Street and N. Brack Street precautionary boil water advisory**

**Kissimmee, Florida** - A precautionary boil water advisory is in effect for the following customers located on:

- 415 N. Main Street
- 527 N. Brack Street
- 531 N. Brack Street
- 535 N. Brack Street

This is due to a water line break in the area. The precautionary boil water advisory will be in effect until lifted by Toho.

As a precautionary measure, customers are advised to boil their water for one minute prior to consumption (drinking, cooking, making ice, brushing teeth or washing dishes). As an alternative bottled water may be used. Water used for laundry or bathing/showering does not need to be boiled.

Once service is restored, a two-day minimum of regulatory testing is required to make sure the water meets drinking water standards. **An update will be provided by Saturday, May 23.**

For more information, contact Toho's customer service at 407-944-5000 or visit our News & Alerts section on [tohowater.com](http://tohowater.com).
