

Toho Water Cross-Prairie Pkwy. Line Extensions

What This Project Brings to Our Community

We're expanding our water network to better serve you! Toho is extending drinking and reclaimed water pipelines along Cross-Prairie Pkwy. from Tohoqua Blvd. to the Nolte Road Turnpike. The extension of the drinking water and reclaimed water utilities will service a new hospital and the NeoCity Global Center for Advanced Research and Development.

This project strengthens local infrastructure, ensuring reliable, high-quality water service for residents and businesses in the area.

2026

work begins on this project in Sept. '26

2028

we plan to finish this project in Feb. '28

\$4.8M

anticipated cost to improve services to this community
