

Toho Water

Old Hickory Tree Rd. Reclaimed Water Pipe Extension

What This Project Brings to Our Community

At Toho, we want to make sure everyone in our service area has access to the best reclaimed (recycled) water available. As part of these efforts, we are extending reclaimed water pipes along Old Hickory Tree Rd. from Hickory Tree Elementary to 10th Street, and then along 10th Street to Narcoossee Road. **This will install over 2.5 miles of additional pipe.**

Project Pathway

2027

work begins on this project in Feb '27

2028

we plan to finish this project later in '28

\$10M

anticipated cost to bring more reclaimed water to St. Cloud
