

Toho Water

S. Poinciana Blvd.

New Drinking Water Pipes

What This Project Brings to Our Community

As part of the Cypress Lake Water Wheeling Infrastructure Project, Toho is installing new drinking water pipes along South Poinciana Blvd., from Crescent Lakes Way to Orange Blossom Trail (OBT). This improvement will expand our network capacity and ensure a steady, reliable supply of clean, fresh drinking water for homes and businesses in the area.

Project Pathway

2027

work begins on this project in Feb. '27

2028

we plan to finish in July '28

\$15M

anticipated cost to bring more high-quality drinking water to this community
