Buenaventura Boulevard area precautionary boil water advisory

10.28.26 - Toho Water Authority (Toho) has issued a precautionary boil water advisory for customers located in the following areas of Buenaventura Boulevard (see map below):

- Rider Circle
- Bridle Court
- Gait Court
- Lariat Lane
- Stirrup Court
- Horseshoe Court

This is due to a water line break caused by a contractor working in the area. The precautionary boil water advisory will be in effect until lifted by Toho.

As a precautionary measure, customers are advised to boil their water for one minute prior to consumption (drinking, cooking, making ice, brushing teeth or washing dishes). This includes filtered water. As an alternative bottled water may be used. Water used for laundry or bathing/showering does not need to be boiled.

A two-day minimum of regulatory testing is required to make sure the water meets drinking water standards. An update will be provided by Friday, October 30.
